

RLC-100

Model	Coating	Liner	Gauge	Cuff	Colour	Size	Packaging
RLC-100	Nitrile	Nylon/Spandex	15	Elastic	Black	7(S),8(M),9(L), 10(XL),11(XXL)	3 pair/bag 120 pair/case

Combination of excellent comfortability, dexterity and durability

- Widely used in logistics, assembly and common task.
- 15-gauge seamless nylon liner provides a good inner surface tension, adhesion, and flexibility, reducing hand fatigue during long hours work.
- Ultra foam coating, on the palm increases the glove's abrasion and oil resistance, providing better hand protection.
- Breathable foam coating enhanced air permeability thus prevent sweaty hand
- Excellent grip in dry and oily environment

Industry

- Automotive
- Metal Working
- Mold manufacturing and processing
- Mechanical repair and assembly
- Logistic
- Construction

RLC-110

Model	Coating	Liner	Gauge	Cuff	Colour	Size	Packaging
RLC-110	Nitrile	Nylon/Spandex	15	Elastic	Grey	8(M),9(L), 10(XL)	12 pair/bag 360 pair/case

Environmental friendly with honeycomb liner

- Widely used in precision assembly and common tasks.
- 15-gauge honeycomb seamless liner provides a good inner surface tension, tactility and flexibility, increase hand comfortability and reduces hand fatigue.
- Contain recycled polyester fiber with RCS environmental certification.
- Ultra foam coating on the palm increases the glove's abrasion and oil resistance, providing better hand protection.
- Breathable foam coating enhanced air permeability thus prevent sweaty hand
- Excellent grip in dry and oily environment
- Touch screen compatible
